Sir,

Date of issue 15 4 14

Signed by Mr S P Rajagopalachar

With refce to your letter no 10517-8/533 & the 16th Feb 1914 regarding the payment of excess water charges connected with the supply of water to certain Govt buildings at Bangalore, Mysore, Chitaldrug and Chikmagalur, I am directed to invite your attention to the G O no 5623-63/Misl. 252-12-9 & the 31st Jan 1913 which lays down that Govt in the department concerned should pay

SUBJECT

the house, lighting and water taxes on Govt buildings occupied by Officers rent-free and that the occupants of the such buildings concerned should bear the excess water charges themselves.

It is not clear from your letter what kind of charges are refered to by you. While in the body of the letter the amount is spoken of as "excess water charges," the bill accompanying the letter refers to the charges as "water tax payable per annum etc" It will be seen from the G.O of 31st Jan' 13 that the "water tax which is a general tax imposed on all houses in the a Municipality for the supply of water — is payable by Govt in respect of while excess water charges" — which are charges due on non-rental houses provided with a house connection varying with the actual quantity of water used by the occupants during a period of time in excess of a defined free allowance — are to be paid by the occupants themselves

I am to request that the
